

# Leaders in Primary Education

## Who are NPH?

National Primary Headteachers links Primary Headteachers and school leaders throughout England with the aim of improving primary education. Through our local and regional groups, we focus national attention on the primary phase of education. We are the only group which “speaks for the primary child” if you would like to add your voice (and that of your school’s), let us know.

## What are the benefits of joining NPH?

- The opportunity to join other, like minded & concerned colleagues in your region and across the country in debate and discussion, NPH is the vehicle to raise profile
- Exchange information and find out what is happening, in your neighbouring LA
- If you are among the 50% of LAs where there is no autonomous association, then we can help with advice and support in setting up local groups
- If you want your voice to be heard on a national stage, then our meetings, conferences, website and NPH Newsletter are a MUST for YOU!
- Be at the heart of discussions with HMI, Ofsted, QCA, TDA, NCSL and DCSF as well as politicians, to improve primary education, the NPH is the only way to “speak for the primary child”
- Regular issues of our in house magazine, which is a MUST at £40 pa (for an individual school or £10pa for groups & associations) represent the best value anywhere in the profession

For details or to join just complete the application form or visit our website [www.primaryheads.org.uk](http://www.primaryheads.org.uk)
